**Giving hearing aids a new sense to understand your needs.**

Styletto X takes motion into account so you can easily follow conversations, even when you're on the move.

**Take in the richness of life.**

More than 90 percent of wearers report a natural sound experience while moving.<sup>3</sup> With Styletto X, everything sounds clear and you recognize the direction sound is coming from.

Styletto X combines iconic design with innovative charging convenience for the ultimate solution in wearability. It provides a full day's wearing including 5 hours of streaming.<sup>4</sup> You can enjoy your favorite TV shows, movies, and music, plus stream calls straight to your hearing aids whenever and wherever you want.

**Elegant charging case**  
 Quick and easy-to-open lid with charging status LED lights, visible even when closed

<sup>4</sup> Based on 16 hours wearing incl. 5 hours streaming per day

The pocket-sized portable charging case is the world's first hearing aid charger with Qi wireless technology, enabling you to simply place the charger on a charging pad instead of having to plug it into a wall outlet. Wherever you're going, Styletto X goes with you. Its charging case delivers an astounding 3 days of extra charges free from plugs or cables.<sup>5</sup>

Styletto X is fully charged in just 4 hours. Plus, a 30-minute fast charge provides an additional 5 hours of use for complete flexibility on the move.

<sup>5</sup> Based on 19 hours wearing per day, or 16 hours wearing incl. 5 hours streaming per day

SIGNIA APP  
**PERSONAL SUPPORT AT YOUR FINGERTIPS**

Styletto X offers full control and remote assistance via the **Signia App**.

**Signia App**  
 Compatible with Android and iOS. The app is free of charge.

**Signia Assistant** is your very own hearing companion to let you stay fully involved in life and hear what matters to you.

Using artificial intelligence, Signia Assistant immediately offers quick and easy support whenever and wherever you need it. It is available any time of day within the Signia App to help you adjust the sound settings, answer your questions about how to handle your hearing aids, and troubleshoot any issues on the spot.

**Signia TeleCare™** enables you to keep in touch with your hearing care professional (HCP) so you get support when you need it - even when you cannot visit them in person. You can also send your HCP instant feedback on your daily satisfaction with your hearing aids.
